➤ Shout out to a team at **Latham & Watkins** that got a ruling dismissing solar power energy developer Origis USA from a fraud and breach of contract case related to the company's sale. Judge Failla found this week that the alleged misstatements that certain investors claim induced them to sell their stakes in Origis USA at a deflated value were attributable to the company's former CEO Guy Vanderhaegen and entities affiliated with him rather than the company itself. The Latham team includes partners **Blair Connelly** and **Blake Denton** and associates **Matthew Valenti** and **Ryan Maamoun**.
